Shubham Sanjay Bankar

Hello, I recently graduated from one of the most challenging and well-known courses, PG DAC from CDAC-MET, Nashik. Here I am quick learner with academic abilities and technical knowledge to succeed in different roles. Ready to expand horizons with additional knowledge and abilities gained from training and experience. Always ready to help others and use abilities to support team goals.

PERSONAL PROJECTS

Bike Service Management System (02/2023 - 03/2023)
- Bike Service Management system, can lead to error free, secure, reliable and fast management. It can assist the user to concentrate on their other activities rather to concentrate on the record keeping. Thus it will help organization in better utilization of resources. The organization can maintain computerized records without redundant entries. This system is helpful for keeping records.
